Dear Mr. Lewis:

Receipt is acknowledged of your letter of 30 June 1958 concerning a newspaper account of a proposed apartment development near the Chain Bridge in Fairfax County.

It has always been our hope that the present character of the Langley area would be maintained insofar as is possible. In this connection I enclose a copy of a letter which I wrote to the Chairman of the Board of Supervisors of Fairfax County on 1 May 1956. Our position with regard to this matter remains unchanged.

As you perhaps know, we have followed a policy of dealing directly with the Board of Supervisors and Planning Commission of Fairfax County on matters pertaining to our new headquarters building. We have felt that it would be inappropriate for us to join with any particular group or organization for or against any specific proposal. In this instance we will consult with the Fairfax County Planning Commission and make whatever representation we deem appropriate.

You may be assured that we are most anxious to cooperate fully with the officials and citizens of Fairfax County on all matters of community interest.
